

## Treasure Hunt

**French Park  
3012 Section Rd  
Cincinnati Ohio**

All headings and distances are approximate. The route will usually be on a trail or through open grass. The bearings are taken in a straight line from point to point, and distances are an estimate based on pacing the distance off.

Begin:

At the map sign located off the parking circle at the far end of the park entrance drive. Marked with a star on the following map.

From map sign:

1. Travel 265' on a heading of  $140^{\circ}$  (entrance to a trail)
2. Travel 145' on a heading of  $90^{\circ}$  (close to a trail junction)
3. Travel 430' on a heading of  $20^{\circ}$  (trail junction near a fence)
4. Travel 640' on a heading of  $262^{\circ}$  (large tree)
5. Travel 170' on a heading of  $130^{\circ}$  (TARGET!)

Now turn and face  $284^{\circ}$ . If you followed these directions carefully, you will see a tall man-made structure on the horizon..

Take a picture of what you see and send it to Barry. Maybe you want to take a selfie with it in the background!

Send him the photo and your email address and we'll send you a Miami Group Buff (neck gaiter.) The first person to correctly identify the target, will also receive a deck of "Don't Get Lost Out There" playing cards!

Now enjoy a nice hike around French Park.... You've earned it!
